CHAPTER 7: DEFICIT SPENDING

Policy 7-1 DEFICIT SPENDING

Organizational Unit Managers shall manage all activities and expenditures under their control, regardless of the source of funding, so as to not generate a Deficit in the Index. Organizational Unit Managers must eliminate Deficits in a timely manner. All Deficits related to non-sponsored projects must be eliminated by the end of the fiscal year.

A Deficit that exists in Sponsored Projects that is not resolved within 90 days may be automatically transferred to a Principal Investigator’s professional or research development account, departmental or center unrestricted source of funds, including gift funds or a department’s general fund budget.
