

**ADVERTISEMENT FOR BIDS**  
**This is a two step AFB with prequalification required.**  
**State of Colorado**  
**Colorado School Of Mines**  
**Notice Number: CSM07-001**

Project No:	CSM07-001
Project Title:	CSM Data and Telephone Communications Standing Order Contractors
Estimated Construction Cost:	Up to \$150,000 per project

### **Project Description**

The Colorado School of Mines is seeking to prequalify data and telephone communications contractors for work on installation, repair and maintenance of both data and telephone wiring. The prequalification will be in effect for CSM work costing \$150,000 or less for a 1-year period with an option to extend for up to four 1-year extensions upon agreement of both CSM and individual contractors. Projects under \$25,000 will be negotiated and require a detailed time and materials-not-to-exceed written quote from a pre-qualified contractor. Projects between \$25,000 and \$150,000 will require documented quotes from all interested prequalified contractors.

The RFQ document is available at:

<http://www.mines.edu/Academic/computer/networking/>

### **Project Information**

The Scope of Services shall include but not necessarily be limited to:

1. Inside and outside plant copper backbone cabling
2. Category 5E/6 structured cabling systems
3. Inside and outside plant fiber backbone cabling
4. Electronic door access cabling
5. AV
6. Security Systems

### **Qualifications Due**

Date & Time:	08/17/2007 03:00 PM
Address:	John Kane, Director of Materials Management Colorado School of Mines Guggenheim Hall, 2nd Floor 1500 Illinois St. Golden, CO 80401

Comments:	Submit two complete copies of RFQ response. It is the responsibility of the responder to allow sufficient time for the RFQ response to be delivered to the above address by the date and time stated.
